* Estimate is from UC's estimate of cost for full-time students. Part-time is estimated as a % of credit hours (30/45 or 2/3).

** Tuition does not include student health insurance which could add \$1587 annual cost if required.

*** See <http://online.onetcenter.org> for informational profiles on occupations using the SOC codes

**** If fewer than 10 students complete the program during the award year, median debt amounts and on-time completion rates are not reported for privacy reasons

***** Job placement rates are not required unless required by an accrediting body or state agency

***** Data will be posted as it becomes available
