WELCOME TO UC CLERMONT COLLEGE!

As Dean of the University of Cincinnati’s Clermont College, it is my honor and pleasure to welcome you to our college and to our beautiful and safe campus. UC Clermont serves over 2,900 students whose studies encompass more than 50 bachelor’s and associate degree programs across our six academic departments.

Our tuition is a great value — about half of the cost of other colleges and universities — which makes earning your college education affordable and within reach. Our economical tuition allows students to graduate on-time and debt free. We are a regional college of the University of Cincinnati located in your community. UC Clermont is accredited by the Higher Learning Commission and many of our programs are further accredited by organizations representing the various disciplines we offer. Our students enjoy access to all of the same perks available at UC’s main campus, just 25 miles away, with the advantages of attending a regional college. That means small class sizes with a student-to-faculty ratio of 15:1, expert faculty whose focus is on teaching and who possess doctorate degrees in their disciplines or extensive practical preparation and certification and a student-centered staff who offer personalized attention.

Our commitment to helping you achieve your goals doesn’t end there. UC Clermont is an open access college, because we believe everyone should be able to further their education. We meet you where you are on your academic journey and help you to complete your education at your pace. We offer classes at convenient times, including fully face-to-face classes, fully online classes and hybrid classes, which combine face-to-face instruction with online learning. We also provide substantial financial assistance to our students in the form of scholarships and financial aid. We award nearly 90 scholarships totaling more than $165,000 each year through the backing of our generous donors. Support is never far away for a UC Clermont student, whether it be a trip to our Learning Center with full-time tutors on staff, some quiet studying time or research in our 21st century library or a stop by our veteran’s services or disability services offices.

While rigorous academic courses and programs are the heart of the college, our students are its soul. That’s why we offer national championship collegiate athletics like volleyball, baseball, softball, basketball and soccer, along with a wealth of student activities like student government, cheerleading and faith-based and academic clubs.

No matter what your walk in life, UC Clermont is here to help you take your first step toward a better and brighter future. If you’re ready for the challenge of the educational opportunities and rich experiences presented by UC Clermont, I encourage you to schedule a campus visit or apply online today.

Best Wishes,

ACADEMIC ADVISING INFORMATION

Meet with Advisors and OneStop Associates
UC Clermont College has many different resources to support your academic journey.

Academic Advisors
Assist you with identifying personal academic goals and exploring course offerings. We serve as a resource for students if you are experiencing difficulty, assist you with educational planning, program prerequisites, course sequencing, and monitor progress toward a degree or completion of your educational goals.

Program (Faculty) Advisors
Assist you with expressed interest and completion of specific programs. We specialize in providing you with information regarding program requirements, admissions standards (if applicable), transfer options and potential career applications.

College Success Program Advisors
Assist students who qualify for the College Success Program or feel under prepared for college-level work. We help by building on fundamental skills and empowering students with attitudes leading to life-long learning. One-on-one assistance is available to help with setting academic goals along with study strategies and professional skills.

Transition Advisor
Assists you toward the end of your UC Clermont College program if you are interested in transferring to UC Clifton.

Tip: We encourage you to see an Academic Advisor or Program (Faculty) Advisor at least once per semester to make sure you are on track.

Financial Aid Steps

1. Apply
   Complete your 2017–2018 FAFSA at fafsa.ed.gov. Make sure you include the University of Cincinnati. Our school code is 003125. Need help with completing your FAFSA? Contact the One Stop Student Services Center at 513-732-5300, or attend a weekly financial aid workshop. Workshops occur at 12pm every Friday in the Student Services Building (check with One Stop for room assignment). Complete your FAFSA as soon as possible after October 1 for maximum award eligibility.

   A new FAFSA must be completed each year for the academic year beginning in August.

2. Verify
   Approximately one-third of all FAFSAs are selected for verification. If you are selected, don’t panic. You haven’t done anything wrong. Students are randomly selected, and will be expected to verify items such as their income, family size, household resources, and other items, depending on their situation and information provided on the FAFSA. If you need assistance, please see a One Stop staff member.

3. Accept
   In the My Finances section of your Catalyst dashboard, you will find information under Financial Aid Awards about the status of your financial aid application and any awards you have been given. If you do not see awards that you need to accept, check your To Do List for outstanding checklist items.

   Note: First-time loan borrowers must complete a Master Promissory Note (MPN) and Loan Entrance Counseling (LEC) at studentloans.gov.
STUDENT CODE OF CONDUCT

When students are admitted to and/or attend the university, they accept the rights and responsibilities of membership in the university’s academic and social community. Just as the university has set high standards for membership, the university has established high standards for acceptable and unacceptable behavior for the Bearcat community and its members; thus, university standards of conduct, while falling within the limits of the law, may exceed local, state, or federal requirements.

The purpose of the SCOC is to inform students of their rights and responsibilities, identify procedures to address student behavior that conflicts with community values reflected in university policies, and recommend potential sanctions, interventions, and measures designed to educate and safeguard the Bearcat community and its members.

*UC East (former Ford Transmission Plant in Batavia)
• **Wireless Internet Access**  Clermont College provides an extensive wireless network. The college currently utilizes the WPA2-Enterprise security standard. To access the wireless system, log into the “UC_Secure” network using your UC Credentials.

• **Computer Labs**  UC Clermont College has approximately 350 academic computers in 14 Computer Labs spread across 7 buildings including our UC East Campus. This includes our instructional labs as well as open computer lab areas. The Library and Open Labs are available for all registered Clermont students. Each area has different hours that are posted online at: ucclermont.edu/technology-services

• **Printing**  At the beginning of every semester, all enrolled Clermont College students will receive $10.50 of subsidized printing (150 free prints) added to their Bearcat ID Card. When this amount has been spent, you can add money to your UC Bearcat Card to use for printing.

Wireless Printing also available in:
- Snyder S164 BYOD (Bring Your Own Device)
- Open Lab - Jones 104
- Library
- Learning Center
- UC East Konnect Café

To access a wireless printer, visit print.ucclermont.edu and logon using your UC Credentials.

• **Email/Office 365**  Microsoft Office 365 (also known as UConnect) is the official student email platform, but it is a lot more than just an email. Students have access to Microsoft Office tools, including:
  - A free download of the Microsoft Office Suite on up to 5 devices.
  - Centrally managed e-mail and calendars powered by Microsoft Exchange, easily accessible from mobile devices.
  - Instant messaging and web conferencing with Microsoft Lync, including online meetings and desktop sharing.
  - Microsoft Office Web Apps that allow you to create and edit Microsoft documents using your favorite web browser.
  - Up to 25 GB of cloud-based storage with SkyDrive Pro so you can store, organize and share your important documents in the cloud.

• **Anti-virus Software**  McAfee anti-virus suite & anti-spyware for home and personal use can be downloaded by UC students, faculty and staff at no cost.

• **Box at UC**  Box at UC is an online cloud storage system that allows users to securely store their documents and files. Each student gets unlimited storage when they activate their UC Box account. There is however a file size limit of 5 GB per file on Box.

• **Campus Technology Support Desk**  For help with items on this list as well as other UC Clermont technology needs:
  Room 118 Peter Jones Building  Phone: 513-732-5216  Email: clermont.support@uc.edu
**Academic Plan/Major**
The program of study a student has chosen (example: Biological Sciences).

**Academic Advisor**
A staff or faculty member who assists students with planning their curriculum, selecting courses and staying on track to reach their goals.

**Associate Degree**
A degree awarded upon completion of a program of study traditionally completed in two years with full-time enrollment (60 credit hour minimum).

**Blackboard**
UC's Learning Management System that connects you to your courses. Stay in the loop with Announcements, track due dates with the active Calendar, check grades, review instructor feedback and communicate directly with teachers and classmates.

**Catalyst**
UC's online student portal where students can search for classes, add/drop classes, view class schedules, check final grades, monitor progress against a degree plan, view account balances & pay bills, manage financial aid and much more! For terms specific to Catalyst, visit [uc.edu/catalyst/glossary](http://uc.edu/catalyst/glossary).

**Certificate**
A non-degree option for students who want to enter the job market following the completion of the academic course of study.

**Co-requisite**
Co-requisites are courses that must be taken at the same time.

**Credit hour**
The number of hours each course is worth. Each major requires a certain number of hours for graduation.

**Degree Audit/Academic Requirements**
A computer-generated analysis that lists all of the requirements for a degree. The degree audit will note if a requirement has or has not been fulfilled, or if it is in progress. This is a useful tool to track progress toward degree completion.

**FAFSA (Free Application for Federal Student Aid)**
The application students complete to apply for financial aid to assist with college bills.

**Grade Point Average (GPA)**
At the end of each semester, your GPA will be determined for the semester. Additionally, all semester GPAs are combined to make a "University GPA." To be in good academic standing and/or graduate a student must have a University GPA of 2.0 or higher.

**Prerequisite**
Prerequisites are courses that must be taken before another course.

**Probation**
Academic probation is a warning that a student’s performance falls below the UC’s requirement for “good academic standing”.

**Satisfactory Academic Progress (SAP)**
A standard used to measure a student’s successful completion of coursework toward a degree in order to maintain eligibility for student financial aid.

**Semester**
Approximately 16 weeks of instruction offered two times a year during the fall and spring. Summer semester has varied options and weeks of instruction.

**Syllabus**
A document created by instructors and given to students detailing each course’s objectives, goals, contact information and areas of study for a semester.

**Transcript**
A list of all courses taken at the University showing the earned grade for each course.

**Transfer**
Going from one college to another.

**Transition**
Going from Clermont College to another UC college.

FERPA AND THE STUDENT’S RIGHT TO REVIEW RECORDS

The Family Educational Rights and Privacy Act of 1974 (34 C.F.R. Part 99 — commonly known as FERPA), is the federal law that governs the release of and access to student education records. FERPA affords students certain rights with respect to their education records. These rights include:

The right to inspect and review your education records within forty-five (45) days of the day the University receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) they wish to inspect. The University official will make arrangements for access and will notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed. Copies of any portion of the record will be provided at a cost currently established at ten cents ($0.10) per page, excluding the official transcript of the student’s permanent academic record for which the University’s transcript policy and fee will apply.

The right to request an amendment of the student’s education record if the student believes it is inaccurate or misleading, or otherwise in violation of the student’s privacy rights under FERPA. A student who wishes to ask the University to amend a record should submit a written request to the University official responsible for the record, clearly identifying the part of the record the student wants changed and specifying why it should be changed. That office will notify the student of its decision. Contact the Office of the Ombuds at 513-556-5956 should you encounter difficulty in obtaining the requested record review. If the University office decides not to amend the record as requested, the student may request a hearing before the University’s Family Educational Rights & Privacy Act Committee. To request this hearing, contact the Office of the Registrar.

The right to provide written consent before the University discloses personally identifiable information from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with “legitimate educational interest.” A school official is an employee, agent or other person acting on behalf of the University, to include: a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted as its agent to provide a service instead of using University employees or officials (such as an attorney, auditor, collection agent, or enrollment/degree certification service facilitator); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the University.

Upon request, the University also may disclose education records without consent to officials of another school in which a student seeks or intends to enroll.

FERPA affords students the right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, D.C. 20202-5920

University Rules 10.43.11 and 10.43.13 establish University of Cincinnati procedures for FERPA compliance.

Directory Information

At its discretion, University of Cincinnati may provide “directory information” in accordance with FERPA provisions. Directory information is defined as that information which would not generally be considered harmful or an invasion of privacy if disclosed. Designated directory information at University of Cincinnati includes the following:

Category I: student’s name, dates of attendance, enrollment status, degrees conferred and dates, honors and awards, college, class, and major field of study

Category II: student identifier (non-Social Security Number), address, e-mail address, and telephone number

Students may block the public disclosure of directory information (all or by category) by completing an online “Directory Information Hold-Release Authorization Form”.

Please consider carefully the consequences of a decision to withhold directory information.

A non-disclosure block will call for University of Cincinnati not to release any or all of your “directory information”. Thus, University of Cincinnati will deny any future requests for such information submitted by non-institutional third persons or organizations. University of Cincinnati will honor your request to withhold directory information but cannot assume responsibility to contact you for subsequent permission to release this information. Regardless of the effect upon you, the University assumes no liability as a result of honoring your instructions that such information be withheld.

University of Cincinnati will honor requests for the non-disclosure of directory information until the student rescinds the request in writing (or by the form) to the UC Registrar’s Office.
