Dear Dean Sojka:

This letter is formal notification of the action taken concerning the University of Cincinnati-Clermont College by The Higher Learning Commission. At its meeting on April 18, 2011, the Institutional Actions Council (IAC) voted to extend your accreditation to include the Bachelor in Technical and Applied Studies degree.

I have enclosed your institution’s Statement of Affiliation Status (SAS) and Organizational Profile (OP). The SAS is a summary of your organization’s ongoing relationship with the Commission. The OP is generated from data you provided in your most recent Annual Institutional Data Update. If the current Commission action included changes to the demographic, location, or distance education information you reported in your Annual Institutional Data Update, we have made the changes on the Organizational Profile. No other organizational information was changed.

The attached Statement of Affiliation Status and Organizational Profile will be posted to the Commission Web site on Monday, May 2. If you have questions about these documents, please contact Mary B. Breslin B.V.M., your staff liaison before Friday, April 29. Information about notifying the public of this action is found in Chapter 8.3-3 and 8.3-4 of the Handbook of Accreditation, Third Edition.

Please be aware of Commission policy on planned or proposed organizational changes that require Commission action before their initiation. You will find the Commission’s change policy at ncahlc.org/information-for-institutions/institutional-change.html. If you have questions about how planned institutional changes might affect your relationship with the Commission, please write or call Mary B. Breslin B.V.M.

On behalf of the Board of Trustees, I thank you and your associates for your cooperation.

Sincerely,

Sylvia Manning
